Sen. Young 'Stars' on Red Broadcasts

Plain Dealer Bureau

WASHINGTON — Radio Moscow "starred" U.S. Sen. Stephen M. Young, D-O., in recent broadcasts about alledged CIA "atrocities" in South Viet Nam, government monitoring sources reported yesterday.

Soviet propagandists in English, Portuguese, German and Trukish reported Sen. Young's press conference statement that CIA agents had masqueraded as Viet Cong to arouse indignation against the Communists among the Vietnamese population.
